Strat-O-Matic™ BASEBALL

The New York Times calls it "the most ingenious" sports game! Make all the Major League Moves: intentional walks, pitching changes, pinch hit, hit-and-run, sacrifice, squeeze play, steal bases, double-steal, move your infield in or play back, turn the double-play...IT'S ALL HERE!

You've never seen a game like it! Forget spinners and rolling marble "baseballs"...now you figure the line-up, bench slumping players, start hot players, choose the pitching rotation, yank pitchers, and make the game-saving strategy moves!

2-Games-In-1...even solitaire!

All the rules of baseball apply...players hit, pitch, field, and run as they do in real life! By condensing official 1983 hitting and fielding statistics—strengths and weaknesses—of each player on his own game card, Strat-O-Matic involves you in true, unpredictable baseball drama, every inning of every game! Youngsters from 11-years-old through the most knowledgeable adult fan will thrill to the authentic action. GAMES Magazine says, "It's so realistic, even mid-game injuries can occur." Strat-O-Matic Baseball is devised so well, it can be played at the basic level, at a more advanced level, and is also great fun to play solitaire!
