THE GAME THAT BELONGS IN COOPERSTOWN!

Strat-O-Matic Baseball

It's the closest thing to being a real major league manager! You pick the line-ups, decide the strategy, change pitchers, hit and run, squeeze, steal, pinch-hit and more. So realistic, players even get injured! Play solitaire, head-to-head, even organize your own pennant races. Comes complete with 200 players from 26 major league teams, whose individual statistics have been computer processed so that each player hits, pitches, runs and fields just as he does in real life! Also includes special "dream teams": 1927 Yankees, 1934 Cardinals, '61 Tigers and '62 Giants. Play basic game or advanced. For ages 11 and up.
