* Robbing HR Rule (14.5) - An * to the left of the team name indicates that a home run CANNOT be robbed for a lefty batter. An * to the right of the team name indicates that a home run CANNOT be robbed for a righty batter. Note, this applies to all HR/Flyout splits, not just ballpark home run chances.

The procedure to determine the weather is done only once - before the start of the game.
Note that a range of 0 indicates an automatic out. A range of 20 indicates an automatic hit.
If a ball park reference falls outside the range then assume the following types of outs:

BP Single left handed batter - Lineout (2b)
BP Single right handed batter - Lineout (ss)
BP Homerun left handed batter - Flyball (rf)B
BP Homerun right handed batter - Flyball (lf)B
