For most realistic league play, when possible, allow only pitchers preceded by an asterisk to start once every four games (3 game rest between starts). All other starting pitchers should start once every 5 games (4 game rest between starts.) We also suggest that all players be restricted to their actual number of at bats or innings pitched, particularly Longmire(Phi) and VanderWal(Col) who was used mainly as a pinchhitter. PLEASE NOTE THAT A 20 SIDED DIE IS NOW USED IN LIEU OF THE DOUBLE SPLIT DECK. PLEASE USE THIS DIE IN ALL SITUATIONS THAT NORMALLY CALL FOR THE SPLIT DECK.

There are nineteen players with cards in both leagues. These cards can all be found in the 108 additional players. Statistics will vary according to performance for each team. Listed next to each player is the number of games played with each team. There are two players with no team name on their cards. You must write in the team name. Following are the players and games played for each team:
R. Honeycutt Oakland -49 New York (AL)-3 M. Parent Pittsburgh - 69 Chicago (NL) - 12

Please note that the statistics for Juan Bell was combined over a two year period. Also there are seven players who have no name on their cards because of circumstances dictated by the MLBPA.
