** Indicates fastbreaking teams. These teams run the fastbreak offense at every opportunity.

* Indicates teams that run a patterned offense. These teams use the fastbreak only about a third of all possible opportunities. All other teams fastbreak about two-thirds of all possible opportunities. All teams will perform realistically when the suggested offenses are used accordingly.

If BAL appears in the Blocked Section of the X Column, assume all missed shots to be blocked.

Please note that we are enclosing Super Advanced Rules for the basketball purist. You may use only the ones that you want as all rules are optional.
