

STRAT-O-MATIC COMPUTER PRO FOOTBALL

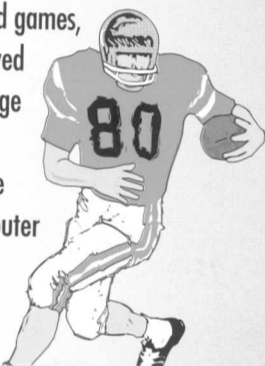

All of the amazing strategy moves of our famous board game and much more!

The accuracy and realism Strat-O-Matic has become famous for combines the fast-paced action and split-second decision-making capabilities of the computer. Already long considered among the nation's top board games, we have updated and improved every aspect to take advantage of the power of your computer.

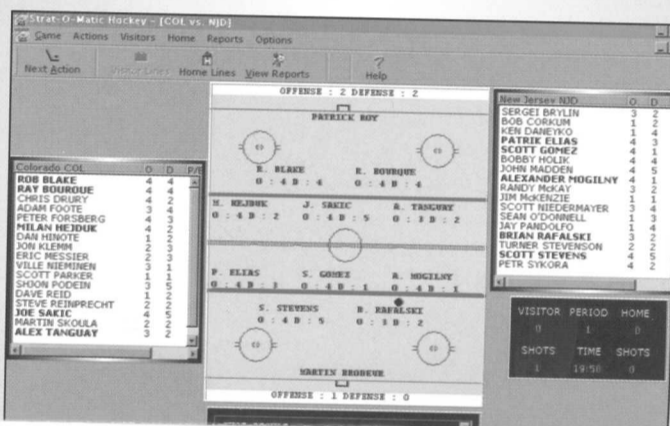

PLAYERS™

The incomparable head-to-head play of the board game has been surpassed by our computer game's internet feature. The board game's problematic solitaire style of play has been replaced by a computer coach who is really

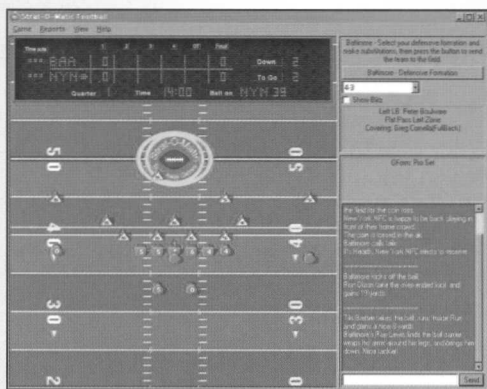

STRAT-O-MATIC COMPUTER HOCKEY

Strat-O-Matic has captured the fast-paced flow of Pro Hockey: slapshots from the point, shots in the crease, deflections, great saves, bone-jarring checks, even intimidating defensive linemen. It's incredibly real and incredibly accurate.

tough to beat. If you like to play out full seasons, our automated season feature plus statistical package will certainly do it for you.

On defense, you just don't select a defensive formation, you also control the positioning of several of your players. You actually move your linebackers and free safety to strengthen zones.

But remember, each move you make has its trade-offs. Strengthen one zone and you weaken another. These decisions are yours.

STRAT-O-MATIC COMPUTER COLLEGE FOOTBALL

239 college football teams, representing all division 1-A and 1-AA schools are yours to coach. Create your own schedules, tournaments, replay leagues or just take your alma mater and play the best or worst teams in the country against them. Yes, you can schedule Bucknell University against Texas but be prepared for the worst!

Our college computer football game comes complete with a myriad of features. You can autoplay the entire schedule or manually play any games that you wish. Box scores are available that rival those that you see in your local newspaper. Check out the drive chart for a quick recap of the game. A great statistical package lets you view virtually every statistic you can think of including standings, league leaders, individual and team records, and customizable reports. We even include a mode that lets you create your own tournaments of as

SHOT RESULT:
DICE ROLL: 5
RESULT: X-WORD
BRIAN RAJALSKI Has Control

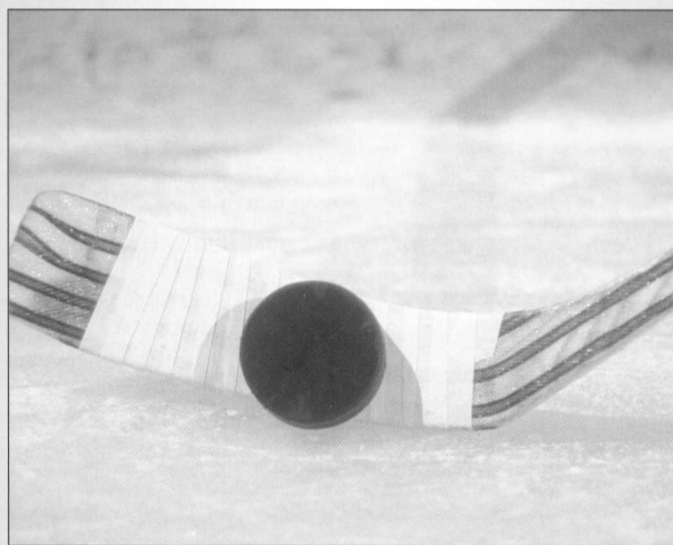

Some computer games let you set your lines and sit back. Do that if you like, but we give you all the managerial involvement

a hockey fan can handle. **Example:** If your player has a shot, you decide to take it, to try to penetrate, or to pass. The outcome will be decided by the ability of the player with the puck, his teammates as well as the opposing defense.

Is that enough? There's plenty more!

Including a dynamite stats package and programmable computer manager. Sharpen your skates and get your favorite team to the Stanley Cup!

many teams as you like — for example, you can see who would have won the BCS had there been a playoff system in place. Player names are not included. However, support to export/import player names has been included.

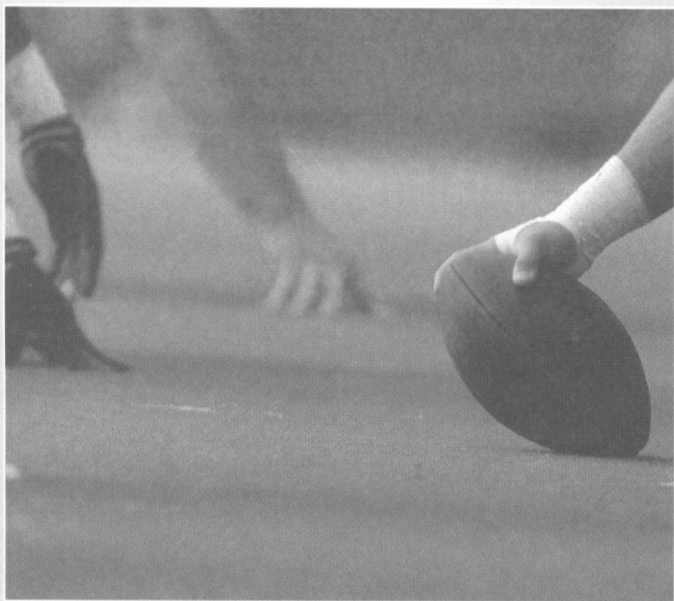

For additional information, go to our website — www.strat-o-matic.com

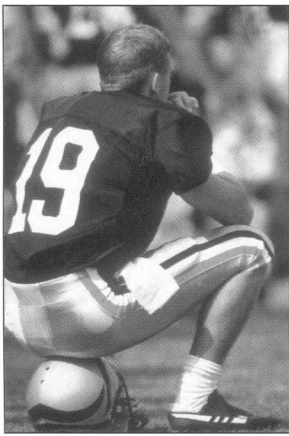

REQUIREMENTS

FOR ALL STRAT-O-MATIC COMPUTER GAMES

IBM Pentium class machine, 800 by 600 minimum screen resolutions and an internet connection.

For more information, go to our website, strat-o-matic.com. You may also request a football or hockey board game brochure which gives you an excellent idea of the inner workings of our computer versions. However, when reading the board game brochures, keep in mind that the computer versions are much simpler to play and contain a lot more strategic moves.
