#### MISCELLANEOUS RULES:

For punts out of bounds, subtract 10 yards off result found on split cards.

For those who prefer more accurate results on blocked punts, the following rule variation may be used:

When a blocked punt occurs, select the next split card; if the split card number falls between 1 and 8, the punt is blocked; if the number is 9 to 20, a 20-yard punt occurs instead of a blocked punt.
