**1962 NEW YORK (N.L.)** - With a record of 40-120, many consider this team the worst in baseball history. Finishing last in batting, pitching, and fielding, they trailed San Francisco (pennant winners) by 60 1/2 games. Richie Ashburn's .306 batting average topped the team and Frank Thomas led in homeruns with 34. The beleaguered pitching staff was led by Roger Craig (10-24, 4.51 ERA), Al Jackson (8-20, 4.40 ERA) and Jay Hook (8-19, 4.84 ERA). Losers of their first nine ballgames, they quickly dropped to last place, and were mathematically eliminated from the pennant race August 6th.

For outstanding super-league play, establish a schedule from the above teams and decide who is the finest team from 1900 to 1967 - and perhaps of all time. Or, if you prefer, play them against your modern Strat-O-Matic baseball teams. However you choose to use your "Oldtimers", they will perform realistically and afford you much enjoyment. **"The oldtimer cards are one-sided cut cards, printed in one color – set up only for basic game play."**

All 42 oldtimers with all game parts may be purchased for \$34.00. STRAT-O-MATIC RE-CREATED PAST SEASONS

1930 BASEBALL SEASON

Incredible is perhaps the best word to describe the 1930 season. Would you believe that Philadelphia (N.L.) finished in last place despite 8 players batting over .300 including Chuck Klein and Lefty O'Doul hitting .386 and .383 respectively. Why a last place finish for Philadelphia (N.L.)? Perhaps a 6.71 team earned-run average proved their undoing. Would you believe that 98 major league players listed on Strat-O-Matic rosters hit better than .300 and 10 players hit 30 or more homeruns. And most unbelievable of all, the National League had a .303 league batting average. The American League was dominated by powerful Philadelphia and the National League presented a dog fight between half the teams in the league, eventually won by St. Louis. The 1930 season player cards are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. Incidentally, Strat-O-Matic has unofficially tabulated homeruns hit off each pitcher -- a first in the world of baseball statistics. Also, you now have the intriguing opportunity to match all-time lefty hitters, Babe Ruth and Lou Gehrig, against the immortal Lefty Grove. Can Ruth and Gehrig pulverize a great lefthanded pitcher? All 16 teams (383 players or 20 regular players plus 63 additional players) with all game parts may be purchased for \$26.00. The 1930 season may be purchased without game parts for \$18.75. As this set is sold as a 16-team set only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

1950 BASEBALL SEASON

Two marvelous pennant races are featured in this power-packed set. In the National League, Philadelphia defeated Brooklyn on the last day of the season and New York (A.L.) won by a scant six games or less over challenging Detroit, Boston and Cleveland in the American League. In fact, if Ted Williams were not injured for almost half the season, Boston might have won the pennant. Incidentally, the Boston team average of .302 has not been equaled since. A total of 35 major leaguers, including Williams, Joe DiMaggio and Stan Musial, hit .300 or higher. Both leagues broke season homerun records as Ralph Kiner led the majors with 47. Strat-O-Matic has unofficially tabulated homeruns hit off each National League pitcher - a first in the world of baseball statistics. Homeruns off the pitcher were officially recorded in the American League. The 1950 season player cards (389 player cards or 20 regular players plus 4 additional players per team) are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. The 1950 season with all game parts may be purchased for \$26.00 and for \$18.75 without game parts. As this set is sold as a 16 team set only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

1956 BASEBALL SEASON

Strat-O-Matic's first re-created past season, the 1956 season is available for purchase. This great season can easily be described with one word - POWER! Forty players led by Mickey Mantle's 52 homers smashed 20 or more roundtrippers. In fact, the average player hit 16 homeruns per 600 at bats. Cincinnati tied a league team homerun record by walloping 221. Other highlights include an unbelievable National League pennant race (two games separating the top three teams), Mantle's triple crown win and 21 competing Hall of Famers including Mantle, Mays, Williams and Musial. The 1956 season player cards are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. All 16 teams (384 players or 20 regular players plus 4 additional players per team) with all game parts may be purchased for \$23.75. The 1956 season may be purchased without game parts for \$16.50. As this set is sold as a 16-team unit only - individual teams may not be purchased. Just fill out coupon #1 found on page 4.

1961 BASEBALL SEASON

The 1961 Baseball Season, Strat-O-Matic's second re-created season features unbelievable power. Roger Maris' 61 homeruns broke Babe Ruth's record with Mickey Mantle not far behind with 54. In fact, 8 players smashed 40 or more homeruns. New York (A.L.) set a team homerun record with 240 in a record breaking homerun hitting season. Twenty Hall of Fame players dotted the rosters including Mantle, Mays, Aaron, Ford and Spahn. The World Series was easily won by New York (A.L.), one of the most powerful teams in the history of baseball. In the National League, Cincinnati outlasted Los Angeles and San Francisco. The 1961 season player cards are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. All 18 teams (432 players or 20 regular players plus 4 additional players per team) with all game parts, may be purchased for \$24.75. The 1961 season may be purchased without game parts for \$17.50. As this set is sold as an 18-team unit only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

1968 BASEBALL SEASON

Without a doubt, this was the year of the pitcher. Major league batting averages fell to an all-time low of .237 and both leagues' earned-run averages were under 3 runs per game. Amazingly, over 20% of the schedule resulted in shutout games. Bob Gibson of St. Louis set a Modern National League earned-run average record with 1.12 and Denny McLain of Detroit won over 30 games! The only shining offensive beacons were Frank Howard's 44 homeruns and Pete Rose's major league leading .335 batting average. The 1968 season was previously released by Strat-O-Matic and contained only the basic game features. Strat-O-Matic is now releasing the 1968 season in a **TWO SIDED, ONE COLOR, CUT CARD FORMAT - set up for both basic and advanced versions**. All 20 teams (480 players or 20 regular players plus 4 additional players per team) with all game parts may be purchased for \$26.00. The 1968 season may be purchased without game parts for \$18.75. As this set is sold as a 20 team unit only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.
