1962 NEW YORK (N.L.) - With a record of 40-120, many consider this team the worst in baseball history. Finishing last in batting, pitching, and fielding, they trailed San Francisco (pennant winners) by 60 1/2 games. Richie Ashburn's .306 batting average topped the team and Frank Thomas led in homers with 34. The beleaguered pitching staff was led by Roger Craig (10-24, 4.51 ERA), Al Jackson (8-20, 4.40 ERA) and Jay Hook (8-19, 4.84 ERA). Losers of their first nine ballgames, they quickly dropped to last place, and were mathematically eliminated from the pennant race August 6th.

For outstanding super-league play, establish a schedule from the above teams and decide who is the finest team from 1900 to 1967 - and perhaps of all time. Or, if you prefer, play them against your modern Strat-O-Matic baseball teams. However you choose to use your "Oldtimers", they will perform realistically and afford you much enjoyment. **"The oldtimer cards are one-sided cut cards, printed in one color -- set up only for basic game play."**

All 42 oldtimers with all game parts may be purchased for \$35.75. The six-team sets (1900 to 1919 teams, 1920 and 30 teams or 1940 teams) may be purchased for \$12.75 each and the 8-team sets (1920 and 1930 Series B teams, 1950 and 60 teams or 1960 Series B teams) may be purchased for \$14.35. **IF YOU HAVE A STRAT-O-MATIC BASEBALL GAME** in your possession, you need only purchase the player cards. STRAT-O-MATIC RE-CREATED PAST SEASONS

1930 BASEBALL SEASON
Incredible is perhaps the best word to describe the 1930 season. Would you believe that Philadelphia (N.L.) finished in last place despite 8 players batting over .300 including Chuck Klein and Lefty O'Doul hitting .386 and .383 respectively. Why a last place finish for Philadelphia (N.L.)? Perhaps a 6.71 team earned-run average proved their undoing. Would you believe that 98 major league players listed on Strat-O-Matic rosters hit better than .300 and 10 players hit 30 or more homers. And most unbelievable of all, the National League had a .303 league batting average. The American League was dominated by powerful Philadelphia and the National League presented a dog fight between half the teams in the league, eventually won by St. Louis. The 1930 season player cards are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. Incidentally, Strat-O-Matic has unofficially tabulated homers hit off each pitcher -- a first in the world of baseball statistics. Also, you now have the intriguing opportunity to match all-time lefty hitters, Babe Ruth and Lou Gehrig, against the immortal Lefty Grove. Can Ruth and Gehrig pulverize a great lefthanded pitcher? All 16 teams (383 players or 20 regular players plus 63 additional players) with all game parts may be purchased for \$29.50. The 1930 season may be purchased without game parts for \$22.25. As this set is sold as a 16-team set only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

1950 BASEBALL SEASON
Two marvelous pennant races are featured in this power-packed set. In the National League, Philadelphia defeated Brooklyn on the last day of the season and New York (A.L.) won by a scant six games or less over challenging Detroit, Boston and Cleveland in the American League. In fact, if Ted Williams were not injured for almost half the season, Boston might have won the pennant. Incidentally, the Boston team average of .302 has not been equaled since. A total of 35 major leaguers, including Williams, Joe DiMaggio and Stan Musial, hit .300 or higher. Both leagues broke season homerun records as Ralph Kiner led the majors with 47. Strat-O-Matic has unofficially tabulated homers hit off each National League pitcher - a first in the world of baseball statistics. Homers off the pitcher were officially recorded in the American League. The 1950 season player cards (389 player cards or 20 regular players plus 4 additional players per team) are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. The 1950 season with all game parts may be purchased for \$29.50 and for \$22.25 without game parts. As this set is sold as a 16 team set only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

1956 BASEBALL SEASON
Strat-O-Matic's first re-created past season, the 1956 season is available for purchase. This great season can easily be described with one word - POWER! Forty players led by Mickey Mantle's 52 homers smashed 20 or more roundtrippers. In fact, the average player hit 16 homers per 600 at bats. Cincinnati tied a league team homerun record by walloping 221. Other highlights include an unbelievable National League pennant race (two games separating the top three teams), Mantle's triple crown win and 21 competing Hall of Famers including Mantle, Mays, Williams and Musial. The 1956 season player cards are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. All 16 teams (384 players or 20 regular players plus 4 additional players per team) with all game parts may be purchased for \$29.50. The 1956 season may be purchased without game parts for \$22.25. As this set is sold as a 16-team unit only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

1961 BASEBALL SEASON
The 1961 Baseball Season, Strat-O-Matic's second re-created season features unbelievable power. Roger Maris' 61 homers broke Babe Ruth's record with Mickey Mantle not far behind with 54. In fact, 8 players smashed 40 or more homers. New York (A.L.) set a team homerun record with 240 in a record breaking homerun hitting season. Twenty Hall of Fame players dotted the rosters including Mantle, Mays, Aaron, Ford and Spahn. The World Series was easily won by New York (A.L.), one of the most powerful teams in the history of baseball. In the National League, Cincinnati outlasted Los Angeles and San Francisco. The 1961 season player cards are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. All 18 teams (432 players or 20 regular players plus 4 additional players per team) with all game parts, may be purchased for \$29.50. The 1961 season may be purchased without game parts for \$22.25. As this set is sold as an 18-team unit only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

1962 BASEBALL SEASON
A recreation of Strat-O-Matic's first complete set of player cards, featuring a sensationally close race in the National League (Los Angeles (N.L.) and Cincinnati losing by one and 3 1/2 games respectively) and a thrilling World Series between New York (A.L.) and San Francisco. Incidentally, the National League results may have been quite different if Sandy Koufax were not injured for several weeks. Lots of power, with 19 players hitting 29 or more homers, led by Willie Mays (49), Harmon Killebrew (48) and Hank Aaron (45). Also great pitching abounds, with 4 pitchers winning 23 or more games (Don Drysdale, Ralph Terry, Bob Purkey and Jack Sanford). Of course, included in this set is the debut of New York (N.L.), perhaps the most inept group of players ever assembled (120 Losses). The 1962 season cards are **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. All 20 teams (480 players or 20 regular players plus 80 additional players) with all game parts may be purchased for \$29.50. The 1962 season may be purchased without game parts for \$22.25. As this set is sold as a 20 team set only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

Without a doubt, this was the year of the pitcher. Major league batting averages fell to an all-time low of .237 and both leagues' earned-run averages were under 3 runs per game. Amazingly, over 20% of the schedule resulted in shutout games. Bob Gibson of St. Louis set a Modern National League earned-run average record with 1.12 and Denny McLain of Detroit won over 30 games! The only shining offensive beacons were Frank Howard's 44 home runs and Pete Rose's major league leading .335 batting average. The 1968 season was previously released by Strat-O-Matic and contained only the basic game features. Strat-O-Matic is now releasing the 1968 season in a **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions**. All 20 teams (480 players or 20 regular players plus 4 additional players per team) with all game parts may be purchased for \$29.50. The 1968 season may be purchased without game parts for \$22.25. As this set is sold as a 20 team unit only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

Paced by Tom Seaver, 25 wins, New York easily won the National League pennant. In the World Series, they upset Baltimore, winners of 109 games. Harmon Killebrew with 49 homeruns led a group of seven major leaguers who hit 40 or more homers. Killebrew barely won the homerun crown as Frank Howard and Reggie Jackson hit 48 and 47 respectively! Pete Rose hit .348 (his highest ever) to lead both leagues in hitting. The 1969 season was previously released by Strat-O-Matic in 1970 with only the basic game features. Strat-O-Matic is now releasing the 1969 season in a **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions.** All 24 teams (576 players or 20 regular players plus 4 additional players per team) with all game parts may be purchased for \$29.50. The 1969 season may be purchased without game parts for \$22.25. As this set is sold as a 24-team unit only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

Imagine St. Louis, led by pitchers Bob Gibson and Steve Carlton, finishing ten games under .500. Obviously, 1970 was a tough competitive season. Led by Frank and Brooks Robinson, Baltimore dominated the American League and Cincinnati in the World Series. Twenty players hit 30 or more home runs and 11 pitchers won 20 or more games indicating an excellent hitting-pitching balance. All time great players such as Killebrew, Yastrzemski, Oliva, Aparicio, Aaron, Bench and Seaver played significant roles. The 1970 season was previously released by Strat-O-Matic in 1971 with only the basic game features. In fact it was the last Strat-O-Matic set released in such fashion. Strat-O-Matic is now releasing the 1970 season in a **TWO-SIDED CUT CARDS PRINTED IN ONE COLOR - set up for both basic and advanced versions.** All 24 teams (576 players or 20 regular players plus 4 additional players per team) with all game parts may be purchased for \$29.50. The 1970 season may be purchased without game parts for \$22.25. As this set is sold as a 24-team unit only, individual teams may not be purchased. Just fill out coupon #1 found on page 4.

Individual teams from the 1988 season can be purchased for \$1.00 each or \$22.25 for the entire 26 teams. The advanced side of each card is printed in three colors and the basic side is printed in one color. The player cards, almost identical in size and paper quality to past sets, are printed on perforated stock.

The Mixed Player Group consists of 27 players from several teams that are not included in the regular 27 player team rosters. They are automatically included in all 26 team and Deluxe game orders. If you have purchased a 26 team player card set or a Deluxe Baseball game, you need not order them. However, if you did not order a Deluxe game or if you have ordered less than 26 teams, you may want to purchase them. It must be noted that all of the Mixed Player Group cards are based on insufficient statistical data. They may be purchased as a separate unit only for \$1.15. Just fill out coupon #2 found on page 4.

Scoresheet pads may be purchased for the prices stated below. Each scoresheet pad is made up of 100 sheets containing 200 box scores. **Please specify scoresheet form desired, FORM A or FORM B (see illustration).**

Scorespads may be purchased for the following prices:

1 pad	\$3.45	2 pads	\$6.25
-------------	--------	--------------	--------

For orders of more than 2 pads, add \$2.35 per pad. For example, 3 pads cost \$8.60, 4 pads cost \$10.95. To order scoresheet pads, just write in on coupon #2 under other items, found on page 4. Actual size of either scorespad is 8 1/2" x 11".

Nameless player cards, priced at \$1.00 per set of 20, are nameless cards fully computed and statistically setup. You will, therefore, be in position to create cards for rookies and veterans not included in the "Top 729." This is accomplished by designating a nameless card to be the equivalent in ability to an individual rookie playing a major role in the 1989 pennant race. Nameless player cards are two-sided - set up for both basic and advanced versions. To order nameless players, just fill out coupon #2 found on page 4.

Strat-O-Matic Game Co., Inc. is proud to present our Hall of Fame Series, divided into groups A and B. Twenty all-time great players from each league (Hall of Farmers or future Hall of Farmers) are included in both fantastic groups.

Each player's card contains complete statistical information on both sides of his card - one side representing his best year and the other side representing his life-time average. The Hall of Fame player cards are set up for basic game play only.

You need not be familiar with the specific data of the Hall of Fame Players as each card contains all important statistical information (similar to our present player cards). Below you will find the rosters for both the American and National League Players that are included in each Hall of Fame group. The Hall of Fame Series is sold as a complete unit only for \$7.00 or \$3.50 for either group A or group B.

As all of the above pitchers were primarily starters, you may select or convert any of them into relief pitchers. All pitchers may start once every four games, if so desired. Please note that the player cards of the above-mentioned players have been computed in such a manner that each player will perform very similar to his statistics against opposition of his own era. However, his performance will change accordingly when playing against opposition of other eras. In either situation, he will perform very realistically.
