1990 STRAT-O-MATIC PLAYER CARDS NOW AVAILABLE!  
OPTIONAL SUPER ADVANCED RULES  
1927 SEASON WITH SUPER ADVANCED FEATURES NOW AVAILABLE!

Dear Baseball Fan,

Strat-O-Matic Game Company takes great pride in presenting the ultimate in baseball games, the 1990 edition of Strat-O-Matic Baseball, at reduced prices for you, our regular customers. However, this offer is good only until the opening of the baseball season (April 10, 1990).

The 1989 Strat-O-Matic Baseball card set is identical to the preceding player card set. The additional players have been merged into each team's standard set of player cards. Thus, each team's player card set consists of 27 players rather than 20 players. An additional 27 players (Mixed Player Group), representing players from several teams, are included free of charge with all purchases of 26 teams and Deluxe Game sets. Therefore, several teams' rosters are enlarged to more than 27, increasing the 26 team player card total to 729. If you order less than 26 teams, you will not receive the Mixed Player Group. However, you may purchase the Mixed Player Group separately for \$1.20.

Each player's card is based on the final official 1989 baseball averages. Almost every major league player with 50 or more at bats or 40 or more innings pitched will receive a player card. However, a batter or pitcher need not meet these requirements to be included. Also available are our 20 nameless player cards (same physical makeup as previous sets prior to 1988) priced at \$1.00 per set.

The price of Strat-O-Matic player card sets which are affected now by our pre-baseball season offer are listed below.

1989 Player Card Sets	Regular Price	Pre-Baseball Season Price
14 American and 12 National League teams (729) players only. .	\$24.75	\$23.75
1 Selected team (27 players) . . . . .	1.20	\$1.05

In regard to individually selected teams, you can purchase as few or as many as you desire. Before April 10th, individual teams cost \$1.05 each. Selected teams purchased after April 10th are priced at \$1.20 each.

To take advantage of our special pre-season baseball prices, mail in the enclosed coupon right away. You may send as many orders as you desire at the special pre-season prices, providing all orders are received by our company before April 10th. Prices of merchandise on orders received after April 10th will revert to the above stated regular prices. THIS OFFER IS ONLY OPEN TO REGULAR STRAT-O-MATIC BASEBALL GAME OWNERS.

Our pre-season sales do not affect the prices of oldtimer player cards, past season player cards, T-shirts, scorepads, books, parts and complete game sets. All prices, with the exception of complete game sets, may be found in the enclosed flyer. Prices for complete game sets are stated on back side of letter.

1992 SEASON STRAT-O-MATIC PLAYER CARDS  
SEVERAL CHANGES MADE TO ADVANCED & SUPER ADVANCED GAMES  
EXPANSION TEAMS AVAILABLE!!!!

Dear Baseball Fan,

Several intriguing improvements including one major change have been incorporated into the 1992 baseball season player cards. All but one of these changes affect the advanced and super advanced games. Statistics featured at the bottom of each basic player card (basic game's only change) have been expanded to include the following: RBIs; SLUGGING PERCENTAGE; ON BASE PERCENTAGE; STEALS AND CAUGHT STEALING FOR THE BATTERS; GAMES STARTED AND SAVES FOR THE PITCHERS. For the advanced game, the major change is an additional rating and rule change for relievers concerning their closer ability. Other important changes are listed below:

1. Groundball-flyball ratio tendency for batters and pitchers.
2. Pull hitting tendency for batters.
3. Double play inducement tendency for pitchers.
4. Individual bunt ratings and running ratings for all pitchers.
5. Wild pitch, pass ball and balk ratings now listed on player cards.

THE ABOVE CHANGES WITH THE EXCEPTION OF THE CLOSER  
OPTIONAL RULE DO NOT ALTER GAME PLAYABILITY AT ALL. IT'S  
BUSINESS AS USUAL.
